# ABOUT BROOME PARK

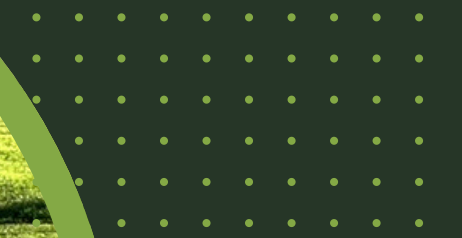

Opened in 1981, Broome Park was designed by renowned golf course architect, Donald Steel. Known for courses like St Andrews (Stathtyrum, Eden & Jubilee) as well as Bovey Castle and renovations to Royal St Georges, Donald was the perfect choice for the Broome Park Estate.

The land was ideal for a golf course development, with mature trees, undulating topography and far reaching views. Couple this with the beautiful backdrop of the mansion house, Broome Park is a real gem in the garden of England.

# SOCIETY PACKAGES 2026

To qualify for our society offering, you must have a minimum of 12 golfers in your group. You pick the package that best suits your requirements and budget, then sit back, relax and let us handle the rest.
